

Helping Girls Around the World.

Melinda Watts Ministries is partnering with the United Nations "Girl Up" program to help girls around the world.

We are reaching the through missions.

Girl Up, a campaign of the United Nations Foundation, links up with partners that represent a diverse community from across all sectors, working together to empower adolescent girls around the globe. Girl Up campaign partners are central to the success of Girl Up, and include such groups as leading corporations and foundations, youth organizations, media outlets, and sports leagues. Among those groups is *Melinda Watts Ministries* and *The Dream Girlz Gathering*.

The United Nations was established to foster global peace, prosperity and justice. It has succeeded in its fundamental mission of preventing a third world war and improving global quality of life. But over the last 60 years, the UN's mission and membership have been broadened dramatically.

Girl Up gives American girls the opportunity to channel their energy and compassion to raise awareness and funds for programs of the United Nations that help some of the world's hardest-to-reach adolescent girls. Through Girl Up's support, girls have the opportunity to become **educated, healthy, safe, counted, and positioned to be the next generation of leaders.**

Melinda Watts' commitment to this demographic and the esteemed national platform she occupies, has made her a natural fit for the UN's initiative. Through nationwide events like her popular Dream Girlz Gathering conference (<http://www.melindawatts.com/conferences>) and other outreach efforts, Watts is helping to promote the spiritual, mental, and emotional health & well-being of girls ages 8-18.

As a part of this partnership, Melinda is encouraging individuals to support the work of the United Nations Girl Up campaign by giving a "High Five" to girls in developing countries by donating \$5 or more to provide girls with such basic needs as access to school supplies, clean water, life-saving health services, safety from violence, and more. To give a High Five and learn more about Girl Up, visit GirlUp.org.
